

MONARCH

Butterfly Encounter

Wednesday, December 7th - Everyone is Invited!

The Golden West College Environmental Studies 3DEE Student Exchange Program is sponsoring a MONARCH BUTTERFLY ENCOUNTER. The guided field trip will tour three local overwintering sites in the City of Huntington Beach on Wednesday, December 7th. Special guest **David Marriott, Executive Director and Founder of the Monarch Program** in Encinitas, will share his experiences and expertise at each of the afternoon's destinations.

The tour begins at Golden West College, travels to Norma Gibbs Park and concludes at the Huntington Central Park Library and Amphitheater. Bring your camera and join us for an exciting afternoon of discovery and adventure. Contact Marius Cucurny or Tom Hersh at (714) 892-7711 x 52180 or mcucurny@ccd.edu for more information

(Meet at the Library Entrance)
-

Dr. Marriott has studied monarch migration for two decades. He created tours to see the monarchs in central Mexico, participated in numerous documentaries, an IMAX film on animal migration, guest speaker at international events, TV commercials, and has been interviewed by most major news stations/newspapers, including CNN.
